Web Services & API Pentesting-Part 3

Asfiya $ha!kh   Jan 10, 2020 · 1 min read

Hello Readers!

This blog is just a desclaimer to let people know the series of API pentesting blogs will not continue any further.As i started writing on API pentesting when there was no OWASP API testing guide, but now there it exist — https://www.owasp.org/index.php/OWASP_API_Security_Project

You may refer to this great project…

I will come up with some cool informative blogs soon.

In the process of deciding topic to write on… Stay tuned……
